MATERIAL FINISHES

A refined mix of tactile finishes brings warmth and depth to the pre-built space. Fluted white oak and textured acoustic walls add rhythm and softness, complemented by linen wall coverings and tailored fabric panels.

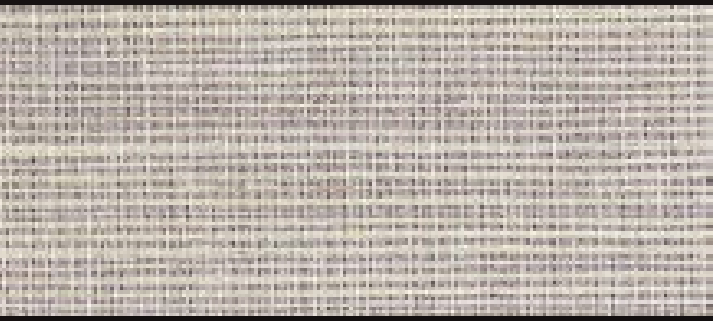

A grounded taupe column anchors the palette, while wood-look flooring, carpet tiles, and a statement rug introduce comfort and a subtle residential feel.

AMENITIES TO ELEVATE YOUR EVERYDAY

The Madison Avenue Club, spanning a full floor, brings a hospitality-forward vision to the workplace experience. A terrace, boardroom, conference rooms, study, café, and bar create spaces for collaboration, reflection, and community—an extension of the workplace that feels effortless, refined, and alive.

V Fitness brings wellness and momentum to the workplace with a state-of-the-art training facility. Featuring the latest equipment, flexible workout spaces, modern locker rooms, and multi-sport golf simulators, it's where tenants recharge, refocus, and perform at their best.
